

Apples

- Wash, slice, and remove core and seeds before using.
- Enjoy with a dip as an easy snack, stir into oatmeal, bake into a pie or dry slices in the oven for crispy apple chips.
- Take your time eating (2 weeks-1 month)

Wrap in a damp paper towel and place in crisper drawer of the fridge.

To freeze: place whole in freezer bag or dip slices in a water lemon juice mixture to prevent browning before freezing in a Ziploc bag.
