

# Basil

- Best used raw or at end of cooking.
- Blend to create pesto, slice and add to salad, or add to stir-fry for depth of flavor.
- Take your time eating: use within 2 weeks.

Storage: Snip bases of stems and put in jar with 1-2 inches of water at room temperature in light area (out of direct sunlight).

*To freeze: chop leaves and freeze in ice tray with water. Store cubes in freezer bag until needed.*
